Dear Parent,

The Board of Directors, administration, and staff are pleased that you chose to apply to enroll your child at Bynum School. Bynum School effectively has served individuals with special needs in a nurturing and safe environment for more than 36 years.

Enrollment forms and information items accompany this letter. Carefully review the contract and additional materials. ***Please note the section that is entitled, "Full Year Obligation."*** Also note that charges for aftercare are not included in tuition. Refer to the "Application and Registration Checklist." The application is not considered complete until all forms, including medical forms, payment forms and nonrefundable application fee of \$275.00 are received by Bynum School. ***Submit your completed application for re-enrollment no later than April 24, 2020.***

Bynum School accepts applications for admission throughout the year and admits new students as space becomes available. All parents will be assessed tuition insurance in the amount of \$200.00 August 1, 2019 for accounts not paid in full. Returning students will be given priority for admission.

Bynum School offers a limited number of student grants to full-time students. An application for student grants also is available on line.

All parents must enroll in the automatic payment system to pay tuition, to pay tuition insurance fee, and to pay charges for aftercare. Payment options include paying in full before July 31, 2019 or paying tuition in 10 or fewer installments. Tuition insurance must be paid August 2020 with the first tuition installment. The enrollment packet includes information about the automatic payment system.

Thank you for making Bynum School your school of choice. For assistance or for additional information, call or email to the contact information displayed above.

William H. Maurer
Executive Director

With God's grace, Bynum School, remaining committed to the ideals of dignity and respect, will provide personalized educational programs to meet the academic, behavioral, and vocational needs of individuals of all ages with special needs.
